OUR WARM WELCOME

Welcome to Forres

Welcome to Forres Primary Academy, a warm, inclusive and ambitious school where every child is known, nurtured and valued.

We believe that strong, trusting relationships are at the heart of a successful school. We take the time to understand every child's needs, working closely with families and our wider community to ensure that everyone feels welcomed, supported and that they truly belong.

We believe that every child has the right to an excellent education and the opportunity to achieve their very best. By recognising and valuing each child's unique strengths and experiences, we create an environment where every pupil can thrive.

OUR VALUES

What we believe

Everything we do is rooted in a simple expectation that we are kind, honest, respectful learners.

We are kind

We are honest

We are respectful

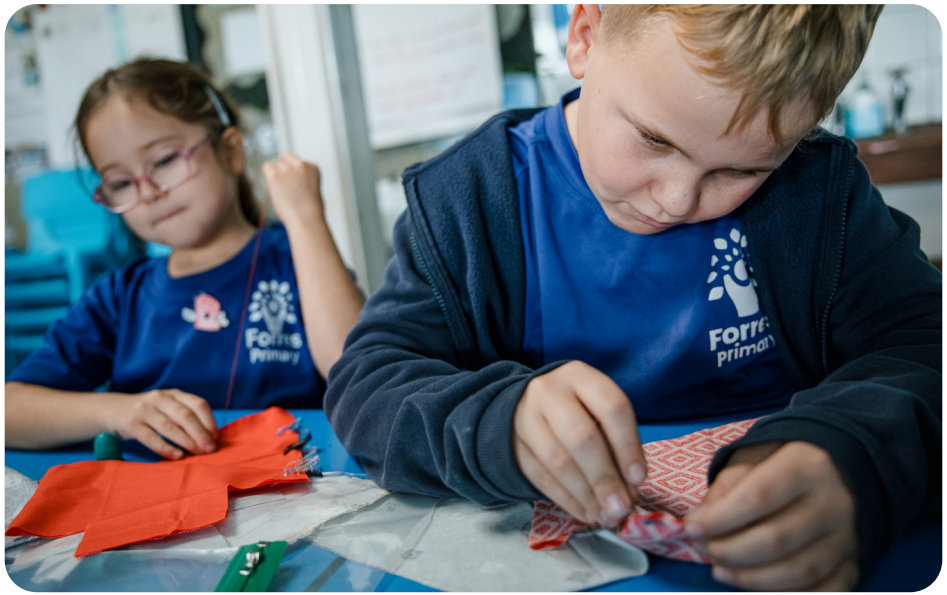

We are learners

These values are celebrated every day in our assemblies, in our Reflection Room, and in every interaction between children and adults. We often pause to ask one another a simple question: 'Is it kind?'

OUR CURRICULUM

A Curriculum Built Around Your Child

Our curriculum is designed around the needs of our children, with a strong focus on giving every child the right foundations for learning. We work closely with our feeder nurseries to make the start of school smooth, settled and happy.

We bring learning to life with enrichment that builds confidence and cultural understanding, helping every child develop the cultural capital to thrive.

BEYOND THE CLASSROOM

We believe that learning extends far beyond the classroom. Through a wide range of enrichment opportunities, including educational visits, clubs, visitors, leadership roles, sporting events and creative experiences, we hope to inspire our pupils and support them in discovering new interests.

WHAT SETS US APART

Nurture at the Heart of Everything

What sets Forres apart is the way every child is truly known and cared for. Ours is a school built on relationships, where adults understand each child's needs, pastoral as well as academic and invest in helping them thrive.

We have a full-time pastoral leader who works directly with children, alongside a senior team who know our families well and have built trusted relationships over many years.

SHAPING A BETTER FUTURE

Part of the Spiral Partnership Trust

Forres is one of seven Hertfordshire primary schools that make up the Spiral Partnership Trust, a family of local schools working together to give every child the best possible education.

Being part of a Trust means your child's school is never working alone. Our teachers and leaders share expertise, training and ideas across all Trust schools, so the very best teaching and support reaches every classroom. It also means access to specialist help and to shared resources a single school could not provide on its own.

Throughout, each school keeps its own character and community. The Trust's role is to support and strengthen what makes Forres special - never to replace it.

WHAT THIS MEANS FOR YOUR CHILD

Teaching shaped by shared expertise and evidence-based research
Access to specialist support and services across the Trust
A strong, stable school backed by an experienced central team
A genuine focus on relationships, kindness and respect

Together, our shared goal is simple: shaping a better future for every child.

NEXT STEPS

Join Our Family

We warmly invite you to see Forres in action. Choosing a primary school is one of the most important decisions you will make, and we look forward to sharing our school with you.

Admissions & Tours

Book a Tour: Come and meet our staff and pupils, please contact the school office to arrange a visit. We welcome children into Reception and accept in-year admissions throughout the school; in-year applications are made directly to the school via our website.

WRAP AROUND CARE

Our Breakfast Club gives children a warm, settled start to the day, and we offer a range of after-school clubs run by our own teachers.

Come and see our school for yourself.
